

# Digi-XL42”P

Digi-XL42”P is a thin and elegant big screen solution made from the same ultra thin anodized aluminium profiles as our kiosks – with its only 9cm thickness the unit fits into any surrounding. Digi-XL42” can be delivered in portrait or landscape, with or without infrared touch, speakers and WebCam and also as wall hanged. On all the models the front panels are interchangeable giving the flexibility for any branding artwork according to customer's requirement.
